

## [Video Instructions Here](#)

1. Ensure you are sitting in a quiet room with your device at the correct distance away from you. You should be able to read the words clearly and your voice should be loud enough for the device to record.

2. Open [www.biguniverse.com](http://www.biguniverse.com) on your computer or tablet.

3. Click “Sign in” and enter your password details.

Username: your ding username

Password: dc1234

Group Username: dcschool

### HELP:

**Check to be sure you spelled dcschool correctly.**

**Check that you’ve entered your ding username correctly.**

**Type the password in slowly.**

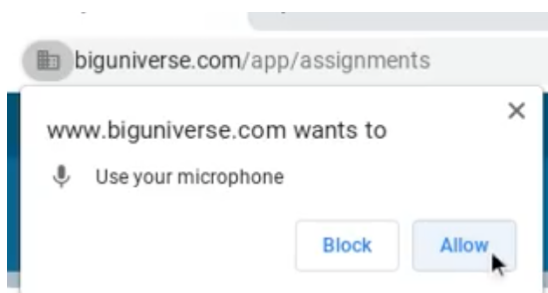

4. Click on the “Assignments” tab

5. Click on “Start My Test”

**Start My Test**

6. A prompt may ask you to “Use your microphone?” **Click on Allow.**

7. Follow the on-screen instructions. Look to be sure the colourful wave bars appear when you speak. Read loud and clear!

8. After reading and retelling all of the stories, you will see this prompt. **Do not close the screen! Please wait.**

Your assessment is being submitted.  
This may take several minutes.

9. When this appears, please click “Finish.”

Thank you for reading with us!

Finish

## Having Problems?

1. Try to open Big Universe in a different internet browser  
Google Chrome may work best on laptops  
Safari may work best on iPads
2. Check your microphone settings. Be sure you have allowed **Big Universe** to use the Microphone.
3. Disconnect headphones and try again.
4. If the test freezes please restart the test and try again. If the problem continues, tell your teacher.
5. Close any apps, like Zoom, that may use the microphone. Close your browser and then log into **Big Universe** again.
6. Join back into your Zoom class where your teacher or **Mrs Addington or Mrs Sercombe** can help you.
